

FELLOWSHIP TRAINING VERIFICATION

Membership Applicants:

To apply for complimentary Affiliate membership, **submit this form with a membership application (www.HRSonline.org/Join) and your CV/résumé** to verify enrollment in cardiology, electrophysiology or related post-doctoral training. This form may be used as a substitute for the letter described on the membership application.

Questions? Visit www.HRSonline.org/Membership/Join or contact the member Hotline at (202) 464-9855 or membership@HRSonline.org.

Current Members:

If your current fellowship completion date has changed or you are beginning a new program, please use this form to notify the Society so that your Affiliate membership may be extended accordingly. Also, please update your profile on www.HRSonline.org if you are relocating for additional training.

Affiliate membership is available for up to five years for those who are currently enrolled in an ACGME accredited CCEP program. For all others, it is available for up to three years.
